

DEWALT

DCHJ101 REFLECTIVE SOFT SHELL JACKET

The DCHJ101 DEWALT Heated Jacket provides hours of core body warmth and continuous heat. This durable but lightweight jacket is constructed with heavy-duty materials that stand up to harsh elements. The polyester shell and hood with Sherpa lining retain warmth and wick away moisture. Reflective piping along the shoulders and sides provides enhanced visibility. The included USB power adapter can be used to charge your portable accessories.
